Welcome Kindergarten

Welcome to our new Kindergarten students and our new families to Wyee Public School. It is a pleasure to be able to start your Kindergarten students on their educational journey.

Great Work

Last week I had the opportunity to visit the Kindergarten classes. It was very pleasing to see how well the students have settled into Wyee Public School. I had the chance to spend some time in both classes, helping out with group work and I am looking forward to the students visiting my office to show me the work they have been doing in class.

Well done guys.

Summer Reading is a Blast

The Summer Reading is a Blast holiday reading program has concluded. The students who participated and completed the Summer Reading is a Blast reading card and successfully read for 25 days during the holidays will receive their book prizes tomorrow. Congratulations to all of those students who participated, a great achievement.

Internet and Photo Permission

A note has been issued today seeking permission for child protection programs, scripture, local walking excursions, publication of school photos and internet usage. We require your consent to enable your children to participate in these activities and to take photos of your children. Please note that whilst it is an acceptable practice for parents to take photos of their own children, taking photos of other students is not permitted without consent. We are also requesting email addresses so that we can make distribution lists to send out newsletters and notes.

Swimming Carnival
Wyee P.S. held its 2013 Swimming Carnival at Speers Point Pool last Thursday. We had a fantastic day with many children swimming in competition events. Our non competitive swimmers had a great time participating in the novelties. The ribbons for the first 3 fastest times will be presented at Friday’s assembly. The zone swimming carnival will be held at Speers Point Pool and the students participating will be notified of races they will be entered in, the selection is based on qualifying times.
The teachers and I were very impressed with the behaviour of the students on the day and it was pleasing to see students cheering for their team mates and doing their personal best.
A huge thank you to the staff for their help at the swimming carnival and thankyou also to our wonderful parents for helping too, without you we wouldn’t have had such a great day. A special thank you to Mrs Coleman, Mrs Weekes, Mrs Boyd and Mrs Sharp for their excellent organisation.

Book Packs
Book Packs will be available again this year at a cost of $50. The pack contains text books, pencils and stationary that your child will need. Due to bulk purchasing power we have been able to source items at a greatly reduced cost and are available upon payment at the school office.

Head Lice
Head lice are a very common problem that most parents and teachers are more than familiar with. We have had reported cases of head lice in the school so please check your child’s hair thoroughly. If your child has head lice here are some treatment tips:
• Do not treat your child if their scalp is irritated or inflamed.
• Always read the head lice product label and directions before you apply it to your child's head.
• Products can be found in local chemists. Apply the head lice product to every strand of your child’s hair and work through, leave for 20 minutes, and comb out with a good quality lice comb.
• Check your child’s head and if dead lice are found, the product has worked. However make sure you re-treat your child’s head in seven days to catch nymphs that have emerged from unhatched eggs.
• Reduce the risk of your child catching head lice by tying their hair back or braiding it.

Parking
Please be aware of the no stopping signs around the school, particularly in Badjewoi Street. As we have many students getting dropped off, picked up and crossing roads, it is important that the road rules/signs are followed to ensure our students’ safety. Please be cautious of speed zones, particularly between 2:30pm—4:00pm as the speed limit is 40km per hour. If you do drop off or pick up on Badjewoi Street, students are able to enter the gate beside the hall. Alternatively, students can be dropped off on the Collungra side of the school and enter via the gate beside the primary building.

Adult Literacy, Numeracy and Technology Courses
This year, the school in conjunction with Wyong TAFE is looking at offering adult education courses at Wyee Public School. The courses are voluntary and free and are targeting employability. Courses offered are in the areas of literacy, numeracy and technology and will run from 9:30am -11:30am one day each week. If you are interested in participating, please contact the school office as 6 more people are required for the course to run.

Parent Information Session
Each class will be holding a general information session in Week 5 to explain class routines, homework procedures and expectations of behaviour. In next week’s Whisper dates and times of your childs class information session will be included.
School Uniforms
School uniforms can be purchased through the school uniform shop, black school shoes and a school hat are required. Please ensure your child has a school hat as our school sun safe policy requires that students wear it during play time. Following is the uniform policy that was endorsed by the School Council last year.
Wyee Public School Uniform Policy
Rationale
A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community and assists in developing pride in representing their school. Issues of equality, health and safety and expense are also factors that contribute to the establishment of a dress code.
Aims
- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.
Implementation
- Consultation with the school community and the Student Representative Council has resulted in a dress code that provides choice for students, allows students to safely engage in school activities, and caters for financial constraints.
- The dress code applies during school hours, while travelling to and from the school and when students are on school excursions.
- Summer and winter uniforms, as well as sports uniforms will be prescribed and are required to be worn. No ‘short shorts’ or tights are acceptable. The length of shorts are to be half way from the thigh to the knee.
- Stud earrings and sleepers worn in the ears and watches are the only acceptable jewellery. Silicone wrist bands are permitted.
- Other than clear nail polish, cosmetics may not be worn at school.
- The only head wear that is acceptable is a Sunsmart school hat consistent with our school Sunsmart policy. Hats must be worn whilst outside. Headbands in blue, black and white are acceptable. Hats are not to be worn inside.
- Black school shoes are to be worn. ‘Slip on’ shoes are not permitted. Joggers are allowed on sports days.
- The P&C Association will operate a uniform shop and will also provide good quality second hand uniforms when available.
- Parents seeking exemption to the dress code due to religious beliefs, ethnic or cultural background, disability and health condition must apply to the school council for consideration.
- Arrangements can be made to provide uniforms through the Student Assistance Scheme for families experiencing economic hardship.
Have a great week
Adam Boulus
Principal
